

## Principal's Message:

Some people believe and develop a plan,  
Some people doubt. Never think they can;  
Some people face hurdles and give it their best:  
Some people back down when there is a test.

Welcome dear daughters! I am excited to see you growing as dynamic empowered women with a mindset to contribute positive and constructively for the betterment of the society of Gilgit Baltistan.

Keeping in view our history, individuality and culture of Gilgit Baltistan a pivotal role of Education lies in shaping the personalities of students helping them transforming into future leaders and role models.

Empowered women who knows how to play their different assigned roles more enthusiastically and with full knowledge and acquisition mission. Girls in our society have more challenges than other areas of our country. World of competition leads to Stress and frustration we need to mentor and equip ourselves to combat with the Challenges through education.

The college has a tradition of inculcating values in students developing their intellectual and mental abilities want you to work hard with full devotion and not impose on yours up considering your educational career as dull and dreary, instead work with a passion and purpose.

We have a highly committed team of faculty to assist you. I wish you every success.

Aameen prayers.
